Customer agrees to inform Distributor of changes in the status of any of the above information.

Customer understands that the credits it receives are paid in reliance on the accuracy of its representations in this application. Federal law provides substantial penalties for intentionally providing materially false information on this application, and if this occurs, Customer's participation in the program is subject to termination. Customer agrees to promptly repay to Distributor any amounts overpaid to Customer as a result of Distributor's use of such false information.

Customer will allow Distributor or TVA to review, at any time during normal working hours and upon reasonable notice, any of Customer's books and records related to the information contained in this application.

Customer hereby certifies to TVA and to Distributor that the information given above is accurate and complete.
